

جامعة العلوم والتقنية في فجيرة
UNIVERSITY OF SCIENCE & TECHNOLOGY OF FUJAIRAH

CURRICULUM VITAE

PERSONAL INFORMATION

Name: TAMER ABDELBARI HAMED HASSAN
Nationality: Egyptian
Job Title: Dean College of Dentistry -Professor of Oral Surgery
University of Science and Technology of Fujairah
Marital Status: Married
College: College of Dentistry
Department: Oral Surgery
Date of Birth: 26/ 12 / 1972
Mobile Number: +971544524136
E-mail: t.hassan@ustf.ac.ae

EDUCATIONAL BACKGROUND

1. Doctorate

University: Suez Canal University
Country: Egypt
Date of Obtaining degree: 7 / 12 / 2006
Major: Oral and Maxillofacial Surgery and Anesthesia
Minor: Oral and Maxillofacial Surgery and Anesthesia
Title: Digital Radiographic Assessment of Surgical Laser Therapy in the Treatment of Periapical Pathological Conditions of the Jaws

2. Master

University: Suez Canal University
Country: Egypt
Date of Obtaining degree: 6 / 2 / 2002
Major: Oral Surgery and Pathology
Minor: Oral Surgery and Pathology
Title: Evaluation of the Three Dimensional Computed Tomography Scans in Diagnosis of Oral Lesions (Clinical and Radiological Study)

3. Bachelor

University: Cairo University
Country: Egypt
Date of Obtaining degree: June 1995

PROFESSIONAL EXPERIENCE

From (year)	To (year)	Position	Employer	Country
15/8/2021	Till date	Dean	College of Dentistry USTF	UAE
1/3/2021	30/7/2021	Dean	Faculty of Dentistry Sphinx University	Egypt
2018	2020	Vice Dean for Students` Affairs	Faculty of Dentistry - Suez Canal University	Egypt
2019	2020(Current)	Acting Head of Oral and Maxillofacial Surgery Department	Faculty of Dentistry- Suez Canal University	Egypt
2017	2020(Current)	Professor of Oral and Maxillofacial Surgery	Faculty of Dentistry – Suez Canal University	Egypt
2014	2017	Vice Dean for Students` Affairs	Faculty of Dentistry – October 6 University	Egypt
2012	2016	Acting Head of Oral Surgery Department	Faculty of Dentistry – October 6 University	Egypt
2012	2017	Associate Professor of Oral and Maxillofacial Surgery	Faculty of Dentistry – Suez Canal University	Egypt
2007	2012	Lecturer of Oral and Maxillofacial Surgery	Faculty of Dentistry – Suez Canal University	Egypt

EDUCATIONAL EXPERIENCE

Academic Year	Course Title
2012 to 2017	Oral Surgery I (Under graduates)
2012 to 2017	Oral Surgery II (Under graduates)
201 to 2017	Oral Surgery III (Under graduates)
2012 to 2017	Oral Surgery IV (Under graduates)
2007 to 2012	Local Anesthesia (Under and post graduate)s
2015-2017	Cardiopulmonary Resuscitation (Under graduate) CPR
2017 to 2020	Applied Surgical Anatomy (post graduates)
2012 to 2020	Oral Surgery for Master Degree
2012 to -2020	Maxillofacial Surgery for Master degree
2021	Preclinical Oral Surgery - Clinical Oral Surgery – Implantology
2021-2022	Preclinical Oral Surgery I and pain control

Preclinical oral Surgery I and CPR
 Clinical Oral Surgery I
 Clinical Oral Surgery II
 Implantology

PUBLICATIONS

1. Books

Oral Surgery for (OS I, II)– October 6 University Book
 Oral Surgery for (OS III – IV) October 6 University Book

2. Book Chapters

4. Conferences

	Conference Title	Place and Date
1	Pfizer Company Scientific Symposium	Ismailia, Egypt -2019
2	Egyptian Association of Dental Students EADS	Cairo, Egypt - 2018
3	Egyptian Society of Oral and Maxillofacial Surgery	Cairo, Egypt -2018
4	Egyptian Dental Clinical Society	Cairo, Egypt- 2017
5	Conference of the Egyptian Dental Syndicate EDSIC	Cairo, Egypt- 2017
6	International conference of The European Association Of Cranio-Maxillofacial Surgery (EACMFS)	Prague, Czech Republic- 2014
7	International Conference of the American Association Of Oral & Maxillofacial Surgery (AAOMS)	Chicago, USA- 2010
8	International Dental Implant Meeting. American Association Of Oral & Maxillofacial Surgery (AAOMS)	Chicago, USA- 2008

PROFESSIONAL AND ACADEMIC ACTIVITIES

1. Professional Training

- Full Knowledge, understanding and application of the credit hour system.
- Total awareness of the quality assurance regulations and accreditation requirements.
- First-rate presentation and teaching skills, with extended research experience.
- Leadership capabilities, maintain focused and calm with extended working hours and stressful conditions.

Academic Experience

- Twenty years of experience in teaching theoretical and practical skills of Oral and Maxillofacial Surgery curriculum for undergraduate and postgraduate students.
- Full knowledge of the credit hour education system, academic supervision, teaching and assessment methods.
- Development of Question banks, E-Learning and electronic exams.
- Countless number of lectures and seminars within my field of specialty.
- Active involvement of the research activities of the Oral and Maxillofacial Surgery and interdepartmental research projects.
- Active supervision of a bulk of Master and PH.D thesis for postgraduate candidates.

Administrative Experience

(1) Head of Oral and Maxillofacial Surgery Department.

Four years of experience (Faculty of Dentistry - October 6 University and Suez Canal University)
Responsibilities

- Establish strategic objectives and policies related to the educational and research activities in the department and manage their implementation, Including the Internship program supervision evaluation.
- Development of the academic and research plans for the department and supervise their application.
- Formulate a report for department needs, course specifications updates and course reports at the end of each academic year.
- Active member of the college council.

(2) Vice Dean for Students` affairs.

Four and half years of experience (Faculty of Dentistry - October 6 University and Suez Canal University).

Responsibilities

- Strategic and long-term planning for all aspects of academic support and administrative services in regard to undergraduate students with a lengthy exposure to the internal regulations of the dental schools and the credit hours education system.
- Professional and paraprofessional training and services for the students
- Continuous monitoring of the education, academic and assessment process.
- Provide leadership for the development, application and continuous quality improvement of an innovative curriculum.
- Actively involved in the implementation of the accreditation requirements and quality assurance regulations for the higher education, as both the faculty of Dentistry at Suez Canal University and October 6 University were accredited by the NAQAAE (National Authority for Quality Assurance and Accreditation of Education).

(3) Dean College of Dentistry

Responsibilities

- Recommend the appointment of other administrative officers of the School of Dentistry.
- Fill departmental officer vacancies as specified in the Redbook.
- In consultation with the chairs/directors of the concerned departments/divisions and appropriate committees as specified in the Redbook, recommend to the Executive Vice President and University Provost the appointment, tenure, promotion, retention, sabbatical leave, annual salary increase and retirement actions of any faculty members and administrative officers of the school.
- In consultation with the council, the Faculty Assembly, or independently as appropriate, appoint members to standing and ad hoc committees as needed for the proper operation of the school.
- Serve as chairperson of the council and preside over the Faculty Assembly during special meetings to recommend the granting of degrees and certificates.
- Represent the school at meetings of the university, professional associations, governmental agencies and other groups.
- Create an environment that facilitates research and scholarly activity.
- Develop and promote public service among members of the School of Dentistry community.
- Develop and administer the School of Dentistry's budget.

- Promote the School of Dentistry through fund-raising and alumni activities.
- Recruit and retain the school's faculty and staff in response to programmatic needs and encourage their professional development.
- Delegate duties to appropriate individuals or groups whenever indicated.
- Assume other responsibilities and perform other duties as may be prescribed by the Board of Trustees, the President, the Executive Vice President and University Provost, the Vice President for Health Affairs or other appropriate administrative officers of the University.

Academic Memberships

- Member of the editorial board of Dental Science Updates – (dsu.journals.ekb.eg).
- Member of the Committee for establishing of B.D.S Credit Hours system internal regulations
(A specialized Program of Faculty of Dentistry - Suez Canal University). The program was approved by the Egyptian ministry of higher education in 2019.
- Member of the central unit for revision of the internal regulations - Suez Canal University- Egypt.
- Member of the quality assurance unit – Faculty of Dentistry- Suez Canal University.
- Vice president of the Unit of Measurement and Assessment at Faculty of Dentistry- Suez Canal University.
- Member of the research ethical committee – Faculty of Dentistry- Suez Canal University.

2. Workshops

	Title	Place and Date	Extent of Contribution
1	Basic Skills in Dental Implantology	Minia University, Egypt – 2019	Speaker and Clinical Instructor
2	Dental Implants Updates	October 6 University, Egypt-2017	Speaker and Clinical Instructor
3	CAD-CAM Romexis software workshop	Helsinki, Finland- 2016	Attending
4	CBCT Romexis software workshop	Helsinki, Finland- 2016	Attending
5	Basics of Dental Implants	Minia University, Egypt- 2015	Speaker and Clinical Instructor
6	Dental Implants Workshop	Minia University, Egypt -2013	Speaker and Clinical Instructor
7	Dental Implants Advanced course	Suez Canal University, Egypt-2011	Speaker and Clinical Instructor

8	Management of Tempromandibular joint disorders. American Association of Oral & Maxillofacial Surgery (AAOMS)	Chicago, USA-2010	Attending
9	Practice Management course. American Association of Oral & Maxillofacial Surgery (AAOMS)	Chicago, USA-2010	Attending
10	Dental Implants workshop	Suez Canal University, Egypt - 2007	Speaker and Clinical Instructor

3. Master Theses Supervision

	Title	Status
1	Comparative Study Between Two Different Flap Design on Peri-Implant Interproximal Crestal Bone Loss Around a Single Implant in the Preloading Stage	Approved
2	The Effect of Beta- Tricalcium Phosphate on the Bone Healing Around Immediate Dental Implants	Approved
3	Comparative Study Between the Effect of Serrapeptase and NSAIDs on Postsurgical Edema, Pain and Trismus After Odontectomy of Impacted Lower Third Molar	Approved
4	Evaluation of Microbial Contamination of Two Different Suture Materials After Oral Surgical Procedures	Approved
5	Clinical and Radiographic Study of the Use of Polylactide-Polyglycolide Copolymer in Extraction Socket Grafting	Approved
6	Effect of Different Rates of Distraction Osteogenesis on the Inferior Alveolar Nerve: An Experimental Study	Approved
7	Comparative Study Between Dimac Wire and Arch Bar for Intermaxillary Immobilization	Approved
8	Surgical Extraction of Impacted Lower Third Molar, Evaluation of a New Scale of Difficulty	Ongoing

4. Doctorate Theses Supervision

	Title	Status
1	Effect of Corticotomy Site on the Rate of Orthodontic Tooth Movement Versus Conventional Method Using Miniscrews as Anchorage	Approved
2	Ridge Splitting Using Platelet Rich Fibrin Versus Onlay Bone Graft for Horizontal Alveolar Ridge Widening.	Approved
3	Management of Mid-Facial Fractures with Emphasis on Zygomaticomaxillary Complex Using Multi-Detector Computed Tomography	Approved
4	Assessment of Customized Carbon fiber Reinforced Polyetheretherketone (PEEK) Prosthetic Device in Reconstruction of Mandibular Resection Defects. A Combined Clinical and Experimental Study	Ongoing
5	Validity of Polyetheretherketone (PEEK) Dental Implants : Clinical and Experimental Study	Ongoing
6	Evaluation of Socket Shield Technique with Immediate Implant Placement in the Esthetic Zone	Ongoing

7	Clinical Evaluation of Intra-articular Injections of Platelet Rich Plasma Versus Dextrose Prolotherapy for Management of Tempromandibular Joint Internal Derangement	Approved
